

**CITY OF BREA
CITY CLERK**

MARDINE ANDERSON MAZEL

AGE: 66

OCCUPATION: Retired Brea Employee

I am seeking the position of city clerk, as Brea has been my home for 66 years. I was educated in Brea, graduated in 1955. My parents and my children all graduated from BOUHS.

I retired from the City of Brea in July, 1999 with 20 years in Finance. I held the following positions Business License, Accounts Payable, Payroll, responsible for insurance billing and deferred compensation. I was active in the California Municipal Business Tax Association and served on the State Board of Directors. I was elected as President in 1985 and 1986.

June 2004, I was elected treasurer for Retired Public Employees Association, Chapter 40. This organization has representatives in PERS and works for retired employees.

As a Brea resident, I want to continue communication with Brea residents. I have personally known four former City Clerks, Constance Young, Dorothy Storm, Donna Rhine, and Elaine Capps. I have great respect for all these women as they were long term residents and did an outstanding job. I decided to run for this position because I am proud of this city and want to follow in my great-grandfathers role in Brea history.

Vote for Mardine Anderson Mazel.
